## Application

Home Entertainment

The NUC Mini PC is compact enough to mount behind a TV or tuck into your home entertainment center.

Industrial control system

Small footprint, big expectations. NUC is a natural for tight spaces or embedded IoT applications.

Education and Government

Minimal footprint, simple setup, and easy management make NUCs ideal for smart classrooms, computer labs, and large-scale cubicle deployments.

Professionals

Whether you need maximum power for rendering graphics for office apps, there's an NUC for every professional need.
